PRINCIPAL JAMES L. McELROY

This year Carl Hayden welcomed a new principal, James McElroy, who came from Oregon. Mr. McElroy's goals were to improve attendance, participation, spirit, and communication at Carl Hayden.

Mr. McElroy has been a good sport this year and very involved with student activities. R.O.T.C. talked him into repelling down the auditorium wall, while student government put him in the dunk tank, a basketball game, and an air band. This has been a fun and successful year for the new principal.

SCOREBOARD

On October 19, 1984 the Falcons entered the field in search of a win. While the fans cheered, the Falcons fought a long and tough game. As the time ran out in the fourth quarter, the Falcon's search was over. Victory was theirs! The Falcons defeated the Cougars 14-1 and ended the nation's longest losing streak of 45 games. We all knew the Falcons were going to win, it was just a matter of time!

FOREIGN EXCHANGE STUDENTS VISITS HAYDEN

Nancy Ruth Dip, our foreign exchange student from Rio de Janeiro, Brazil, arrived on January 11, 1985. She attended classes at Mrs. Hartman's school, was a member and helped plan the New Year's pageant, was a member of the Jockey Club and the Social and Deportive Club. This summer she will be attending the United States. Nancy speaks Spanish, English and German. Nancy has been the only foreign exchange student in ten years and we look forward to have hosted her. We anxiously anticipate many other foreign exchange students in the future.

Nancy Dip, our foreign exchange student, quickly formed a friendship with Natalie Schoeberget, her host sister.

1985

AETNITIES

FREDDY THE FALCON

Alfredo Enríquez, was "Freddy the Falcon" for 1984-85 school year. He has been Freddy the Falcon for three years. Alfredo participated in all football games, basketball games, pep assemblies, parades, and many other school activities. Alfredo is very proud to represent Carl Hayden. He shows his pride by dancing, jumping, hugging, and playing with little children and Carl Hayden students. Freddy enjoys little children when they see how friendly he is. Freddy thanks all the FALCONS for the great spirit.

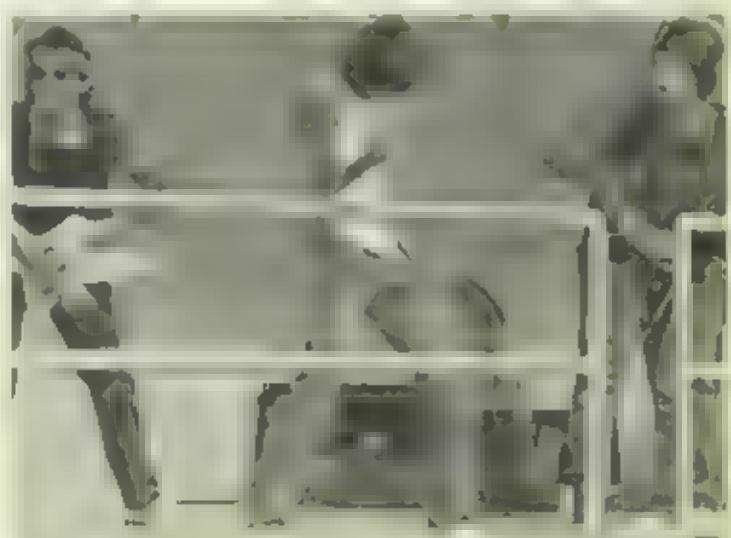

HOOMEOMING WEEK

October 21st through the 26th Falcon Homecoming Week was held. The theme of the week was "Falcon Fantasia". There were a variety of activities like a pudding contest, volleyball games, toilet paper race, three legged race, music, airband, etc. The assembly was presented on Thursday, November 25th. On the following day the Homecoming parade marched around the front of the school. The clubs that participated were Carl Hayden's marching band, Pep Club, MECHA, ROTC, Freshman Class, Sophomore Class, Junior Class, Senior Class, Girls and Boys Letterman, and the Issac Band. The game started at 7:30 Friday night. At halftime the band performed and then the parade circled the field. Last year's King and Queen were flown in by Channel 12's Jerry Foster. This years Homecoming royalty were introduced. The 1984 and 85 Homecoming King and Queen were Ronnie Esquivel and Theresa Seto. The night was a total success and a night to remember.

ALUMNI BASKETBALL AND POWDER PUFF BENEFIT

This year the Carl Hayden Falcons held a powder puff football game and an alumni basketball game. This was to help Mrs. Nancy Alvidrez's son, Aaron, who was struck by a rare type of cancer and to help pay for Hayden's signs. There were several activities to celebrate the powder puff football game. The week of the powder puff football game, November 19th through the 21st, was named "Morp," which is prom spelled backwards. There were lunchtime activities all week. The assembly, Wednesday, was coordinated by Martin Corales, and featured air bands and break dancers. Trophies were received by the "Prince Impersonator" and the "Total Body Movement" break dancers. A teachers group, "The Coasters," provided a moment of humor. The powder puff football game started after the assembly. Females were the football players and males were the cheerleaders. The candidates for the powder puff royalty were introduced at the dance. Juan Mata and Nancy Flores were crowned king and queen. The week proved to be a success, raising over 1,500 dollars. Thank you FALCONS for your support.

FIELD TRIPS

This year's field trips were to the Phoenix Zoo and the State Convention at Yuma.

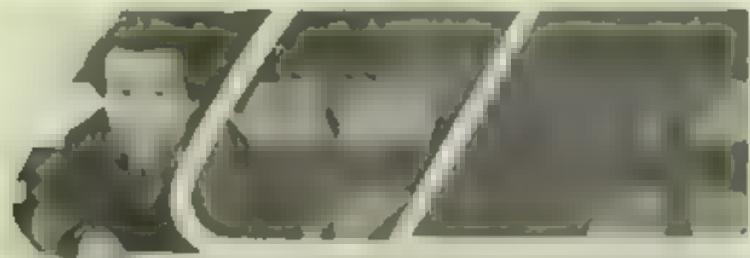

Top left: In November, Mrs. Bowes' advanced graphic class took a trip to the Phoenix Zoo. They took pictures of various animals. On returning, students presented the photos for exhibition in the district boardroom.

Bottom left: At this year's State Convention at Yuma, a secretarial segment there was a workshop attended. The theme of the convention was "You Can Make Magic." Many different workshops were planned for the students to attend. Some of the workshops were spent in the study of American Indian art at Hopi Art. Harry Hammon was one of the speakers. He talked about the art and its connection to religion and culture.

JUNIOR HOMECOMING ASSEMBLY

On January 31, 1985, the Junior Homecoming Assembly was held. The 1985 Junior Homecoming candidates were introduced to the enthusiastic applause of the Carl Hayden Student Body. It was at this event that the Carl Hayden Band wore their new uniforms for the first time. Another rousing success was an airband imitating the popular rock idol, "Prince".

TRADITIONAL SCHOOL JOURNEYS TO HAYDEN

In the 1985-86 school year, Carl Hayden will host the Phoenix Union Traditional School on its campus. On February 11, 1985, approximately 150 perspective Traditional School students toured the Carl Hayden campus. The Pom Line, Cheer Line, and the Student Government guided these students in and out of classrooms and social areas. Later, an assembly was held where Mr. Mc Elroy spoke and answered questions.

FRESHMEN SWEETHEART ACTIVITIES

Freshmen Sweetheart Week, February 11th thru the 15th, was a time of frenzy and fun. Music set the beat for such sticky and gooey activities as, marshmallow eating, jello eating, and bubble gum blowing contests. Every day the volleyball net was up and ready for the eager players. On Thursday, February 14, a DJ. spun the magic for that special Valentine's Day. The class officers of 1988 showed their spirit in the production of their first outstanding assembly. Also, a dance was held February 11, 1988. The Freshmen Class Officers worked very hard to make these activities a big success.

CHRISTMAS PARTY

The faculty and staff Christmas Party was held on December 21st, to celebrate the Christmas and New Year holidays. Santa Claus, Ron Knauel, waited at the door to welcome everyone. Each teacher brought their favorite holiday dish. Homemade tamales, cheese balls, and Christmas cookies filled the library tables. The highlight of the party was when the teachers exchanged gag-gifts. It was a friendly moment for the teachers and staff to become better acquainted.

CHRISTMAS ASSEMBLY

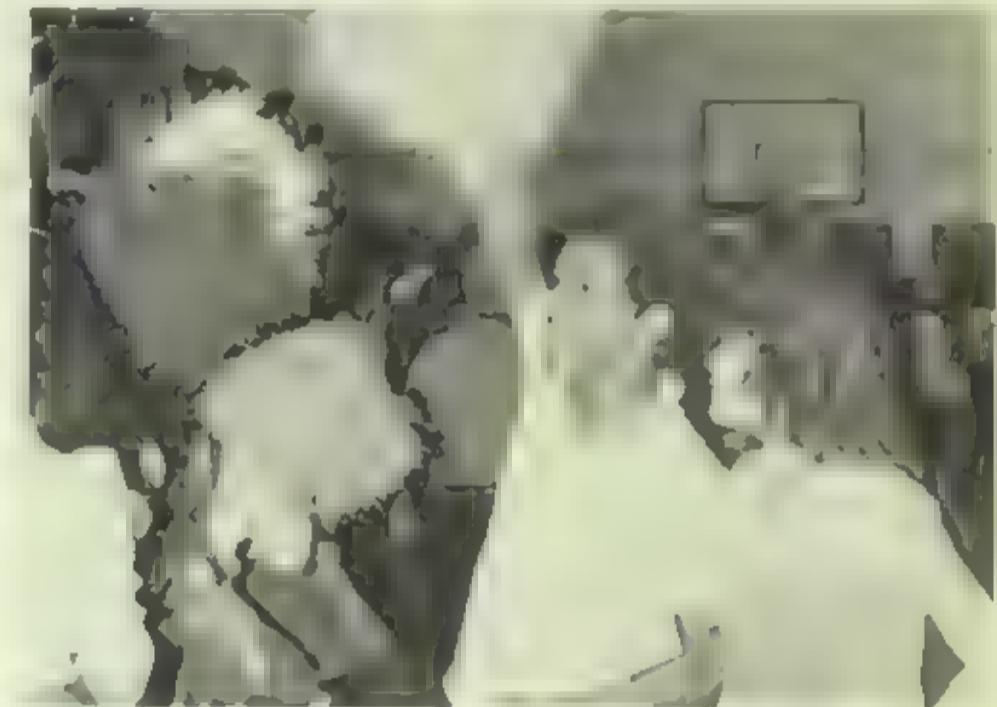

The Christmas spirit began when the Senior Class Officers held their Christmas Formal Assembly on December 20, 1984. First of all, Crazy Unlimited's outrageous reindeer made everyone jolly with a skit. Following that, the cheerleaders and basketball players sang a Carl Hayden version of "Rudolph the Red Nosed Reindeer." Next, and air-band, "Sleaze Patrol," performed. Finally, the Christmas Formal Candidates were introduced.

HAYDEN'S SPIRIT

It's been a long time since Carl Hayden elected a boy cheerleader Ruben Navarette enlivened this year's activities by motivating all of us to join in and cheer. The Falcon spirit was high when Ruben lead the cheers with his natural acrobatic flips and stunts. Thank you, Ruben, for getting involved and making this year's activities ALIVE!!!

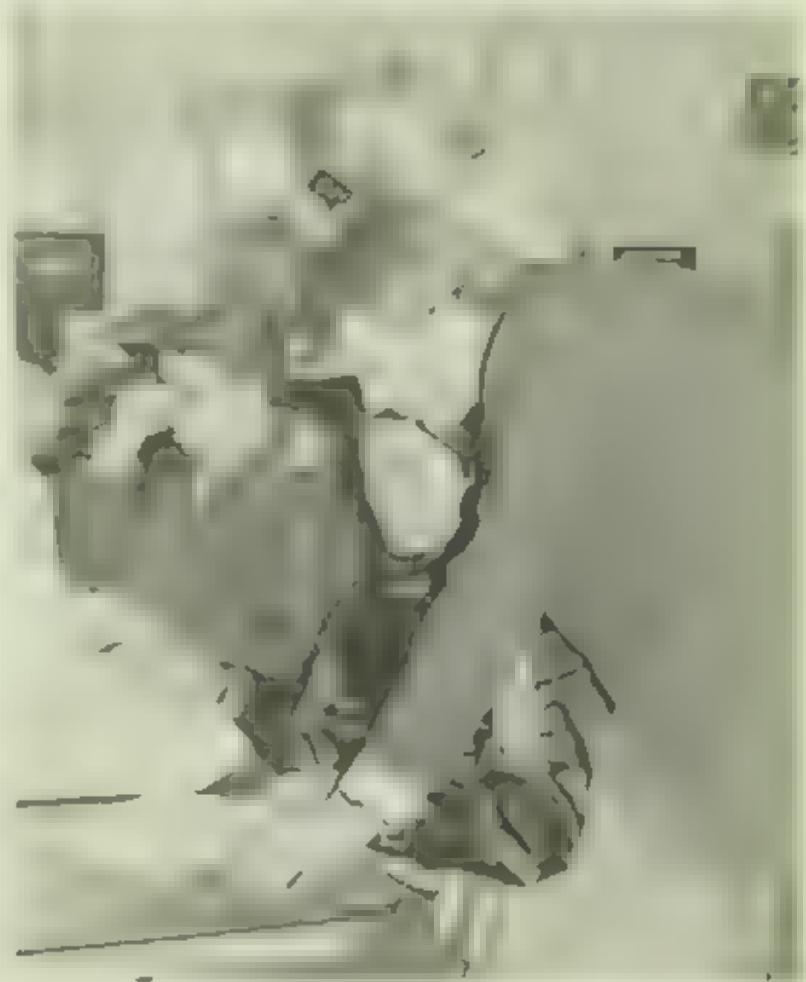

CULTURE WEEK

Culture Week was held from January 20th thru the 23rd. On Monday, Black American Day, a DJ played today's most popular music. On Tuesday, White American Day, an Air Band performed while everyone clapped. On Wednesday, Indian American Day, Miss PI-HS Queen and her Attendants danced some of their traditional dances. A few Carl Hayden students also participated in one of the dances. This week we all learned more about the many cultures in our school.

GOVERNOR BABBIT VISITS HAYDEN

Governor Bruce Babbitt visited Carl Hayden February 13, 1985, to receive a report from the Governor's Task Force for Computer Education. The Task Force was composed of members of the business and educational community. During his visit Governor Babbitt inspected JROTC and visited our own computer lab. After his informal tour, Governor Babbitt was presented with many mementos from Carl Hayden, including a football jersey, a JROTC T-shirt, plaque, newspaper article featuring a story of Hayden, and a National Honor Society Certificate and pin. Carl Hayden was honored to have Governor Babbitt visit our campus.

OLDIES BUT GOODIES

Two favorite teachers were elected Mr. Oldie and Mrs. Goodie in the assembly held February 28, 1985. The following day, March 1, 1985 Carl Hayden celebrated 'Oldies but Goodies dress-up day. Many of the students dressed up in clothes their parents wore a generation ago. Students seemed to enjoy walking in their parents shoes for even just a day. The big question of the day was, "Were our parents really teenagers at one time?"

ACADEMIC OLYMPICS

For the first time at Carl Hayden High, a group of teachers and staff members sponsored the Academic Olympics. This is a game where students form competitive teams to test their knowledge. The competition lasted until the end of the school year when the two top teams fought it out for the coveted award.

A prominent word 'Wall' is visible on the right side, and a bracketed label '(Kittilä)' appears near the bottom center. The paper has a light greenish tint and shows significant signs of aging, including yellowing and foxing.
